THE ULTIMATE STREET WEAPON

- THE ALL NEW 2025 -

Apache RTR 310

Let's Play The #Freestyler Way!

WHAT'S NEW?

TRANSPARENT CLUTCH COVER

Crystal-clear view of engineering precision that makes every moment visually captivating.

KEYLESS RIDE

Start your moment instantly without removing the key from your pocket.

AGGRESSIVE KNUCKLE GUARDS

Enhanced streetfighter aesthetics that own the streets while protecting your ride.

SEQUENTIAL TSLs

Dynamic lighting that flows with your moves, commanding attention in every moment.

POWER TO THE #Freestyler

UNIQUE REVERSE INCLINED **DOHC** ENGINE

With a 312.2 cc liquid-cooled engine in a compact layout, the power hub is engineered to centralise mass. The forged aluminium pistons are 5% lighter for the best-in-class power-to-weight ratio, delivering peak torque across the powerband.

6-SPEED GEARBOX WITH BI-DIRECTIONAL QUICKSHIFTER

Precision shifts and quick launches come easy with the bottom-mounted shift lever and gears. Performance is taken up a notch by the quickshifter that saves milliseconds with every gearshift.

5 RIDE MODES

- *URBAN MODE*
- *RAIN MODE*
- *SPORT MODE*
- *TRACK MODE*
- *SUPERMOTO MODE*

Slide, drift, and dominate every move with raw, untamed precision.

THE DYNAMICS OF THE FREESTYLER

RACE-TUNED LINEAR STABILITY CONTROL

- CRUISE CONTROL
- LINEAR TRACTION CONTROL
- DUAL-CHANNEL ABS
- REAR WHEEL LIFT-OFF CONTROL

THE FREESTYLER FRAME

The Hyper Spec trellis frame with a light aluminium sub-frame provides the freestyler with excellent dynamic response at higher speeds and ease of manoeuvrability.

DYNAMIC BI-LED HEADLAMPS

Intelligent lighting that adapts to conditions for superior visibility and presence.

TECH OF THE FREESTYLER

SUPER REACTIVE KYB SUSPENSION

Own every corner with precision, every straight with confidence. Expert-tuned KYB monoshock with monotube floating piston technology delivers precise damping and smooth response.

SMARTXONNECT ENABLED RACE-COMPUTER

The 5" Gen-2 TFT race computer enables you to change settings like traction control, cruise control, headlamp brightness and much more.
